CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Sugar Co-op. Names Chairman & Directors

"Sugar Cane Growers Cooperative of Florida" came into permanent organization on Monday of this week when officials were elected at a meeting held in the Glades Office Building. Robert Apelgreen of Pahokee was named chairman and a group of six prominent growers were named to the board of directors.

On the board of directors are:

George Wedgworth of Belle Glade and Lewis Friend of Pahokee for three year terms.

Inman W. Weeks of South Bay and Walter Hull of Pahokee for two year terms.

Walter Kautz of Canal Point and Roy Vandegrift, Sr., of Pahokee for one year terms.

The seven members of the board represent various cooperatives or growing organizations throughout the Lake Okeechobee area. Two additional members are to be elected to the board to represent independent growers.

The group already is chartered. The cooperative's aim is to combine efforts of lake agricultural interests in seeking permanent sugar cane growing quotas for Florida farmers who desire to diversify their crops and which will result in a more stabilized economy. It is expected that the group will form definite plans which will be presented to representatives in Washington when Congress convenes in August.

No More Free Taxes By Pahokee Council

Pahokee City Council passed an ordinance Monday night removing an ordinance providing for tax exemption for new businesses coming into the town from the ordinance books.

The action followed a request from Mrs. M. I. Keen, realtor, and L. E. Finney, builder, for a renewal of a tax exemption grant and building permit for a Kwik Chek store to be erected in Pahokee, following the expiration of the grant and permit. Local grocersmen appeared before the council to protest the tax exemption ordinance which was taken off the books.

The council also authorized the installation of traffic breakers on the southern end of Annona Ave., as requested by residents in that section.

A resolution was passed petitioning the chairman of the county commission to expedite the survey of State Road 15 through Pahokee.

TO PHILADELPHIA

Mr. and Mrs. A. R. Chastain left this week for Philadelphia where Mr. Chastain will enter the Presbyterian Hospital for diagnosis and treatment. They were accompanied by Mrs. Lou Hutchins of Palm Beach.

Lions Donate \$20 To County Blind Survey

Pahokee Lions club reported \$20 contributed to a county survey of the blind in the county conducted by South Side Lions Club in West Palm Beach.

The eight conservation committee also reported \$60 paid for eye examinations and glasses for underprivileged persons.

Plans were discussed at the luncheon meeting Tuesday for a ladies night, but no date was set. B. R. Mosley, president, presided.

Gas Tax Refund Forms Available

The County Agricultural Agent's Office located in the Glades Office Building, Belle Glade, and 591 North Military Trail, West Palm Beach, have on hand the necessary forms to be filled out for claims for refund of Federal tax on gasoline used on a farm.

The period covered by this form is from July 1, 1959 through June 30, 1960 and the form must be filed with the U. S. District Director of Internal Revenue on or before September 30, 1960. The amount of refund of tax on gasoline is based on the rate of .03c per gallon purchased prior to October 1, 1959 and .04c a gallon purchased after October 1, 1959.

The gasoline for which refunds can be applied for is gasoline used for farming purposes but does not include gasoline used on the highway in process of packing operations or for personnel or non-farming purposes.

Applications for the State refund of gasoline tax are also available and if the farmers have not applied, they may pick up this application at the same time that they obtain the form for refund of Federal gasoline tax.

Resolution Cites Atty. Herbert D. Beck

A resolution passed unanimously by the Palm Beach County Commission on Monday of this week cited the late Attorney Herbert D. Beck of Belle Glade for his accomplishments in behalf of Palm Beach county. The resolution was proposed by County Commission Chairman Paul Rardin. The handsome original copy will be presented to Mrs. Beck by Mr. Rardin.

Boltons To Open Drug Store Monday

Mr. and Mrs. John Bolton, owners of the popular Bolton Rexall Drug store in Pahokee will be back home and open for business on Monday morning of next week. The Boltons have been enjoying a much deserved three weeks vacation.

Commission Puts Budget Into Effect

County commissioners' Monday wound up their session as a board of equalization to hear complaints on the \$1,148,860,470 county tax assessment roll and prepared to hold a hearing August 8 on a tentative budget for the coming fiscal year totaling \$9,625,261.

The tentative budget, which is being advertised in detail in county newspapers, is made up of these items:

Fine and forfeiture and \$1,534,636; general revenue, \$4,994,193; general road and bridge fund, \$1,418,666; Capital Outlay No. 2, \$200,000; Capital Outlay (correct) \$594,400; public improvement, \$150,235; Ocean Boulevard, \$200,900; Construction Account, Series 2, \$55,865; Interest and Sinking Fund No. 1, \$48,194, and Interest and Sinking Fund No. 2, \$170,172.

The tax roll hearing came to an end with only a few corrections in assessments indicated as a result of property owner's complaints. Said Tax Assessor David Stewart regarding one complaint of assessments on certain rental and business property:

"Taxes on rental property—business property—are down 25 percent from three years ago; in some cases, more. Some people don't seem to realize that."

In turning down a request for a \$5,000 budget appropriation for the Animal Rescue League of the Palm Beaches, Commission Chairman Paul Rardin reiterated that in forming the new budget, now completed, requests for items that would have cost \$535,000 had to be eliminated.

"We feel that the taxpayer is carrying just as much as he can carry at the present time with this slight depression," he said.

School Board Ups Taxes .33 Of A Mill

The Palm Beach County Board of Public Instruction Monday approved a tentative 1960-61 budget totaling \$20,421,120.

This will involve a boost in countywide property taxes of .33 of a mill.

Largest part of the budget is a record \$13,265,374 for support and maintenance of schools. The figure is \$507,771 over the amount budgeted last year.

Public hearing and final adoption of the budget has been set for August 10.

It had been expected that school expenses this year would show an increase of more than two mills, but cash reserves and surplus of more than \$1 million dollars offset the anticipated hike.

The budget provides for an increase of \$1,417,348 in the portion set aside for salaries of teachers. Board members last month approved a \$300-a-year across-the-board raise and additional increments for teachers.

Board members voted 3-2 against beginning a \$150,000 group insurance plan for school personnel in 1960-61. If it had approved the (continued on page 8)

Pahokee City Council Asks New Road Survey

Funeral Services For W. H. Barrington

William Henry Barrington, 75, of Pahokee was found dead at his home on Bacom Point Road, Monday morning.

He has been a resident of this city for the past 13 years. He was a retired gardener. He is survived by his mother Mrs. Amanda Barrington, a sister Mrs. Lily Fuller and a brother E. H. Barrington all of Montgomery, Ala. Williams-Wetherington Funeral Home in Pahokee sent the body to Montgomery for funeral service and burial Tuesday.

Funeral Services For Atty. H. D. Beck

Funeral services were held Monday afternoon at the Community Methodist church in Belle Glade for Attorney Herbert D. Beck, former state legislator who passed away suddenly Friday night following a heart attack. Mr. Beck had suffered one heart attack a few years ago but had been taking things a little easier since that time. Burial was in Hillcrest cemetery in West Palm Beach.

Pallbearers were: Claude Shirley; Jas. A. Ball, Jr., Robert Mathews, George Royal, Ted Allen and Richard Poston. Members of the Masonic Lodge to which Mr. Beck belonged were in attendance at the funeral and burial. He is survived by his wife, Mrs. Ruth Beck and his mother, Mrs. Mary Beck of West Palm Beach. Rev. Lee D. Rustin, pastor of the church, was in charge of the services.

Mr. Beck was a member of the Rotary Club and immediate past president, Belle Glade Masonic Lodge 273, American Legion, Elks Club and Community Methodist Church. He was the town's first attorney and served as city attorney for 19 years and three terms in the Florida Legislature. He was former chairman of the Belle Glade Memorial Hospital board, former chairman of the board of directors of the Everglades Federal Savings and Loan Assn.

Former Resident Dies In Fort Myers

Woodrow Lee, 14, Opa Locka, and formerly of Canal Point, died Tuesday in Sunland Training Center, Ft. Myers, after a brief illness.

Surviving are his parents, Mr. and Mrs. Merl Wilson, Opa Locka; two sisters, Mrs. Mary Helen Millon of Haleah and Sarah Wilson of Opa Locka; four brothers, Arthur, William, Edward and Jerry, all of Opa Locka.

Mr. and Mrs. Jimmy Moore were the week end guests of his parents Mr. and Mrs. G. F. Moore in Miami.

At a regular meeting of the Pahokee City Council Monday night a resolution was passed asking the Board of County Commissioners to ask the State Road Department to make a survey for the proposed new route of a highway through Pahokee. The resolution, as adopted by the city council, will be sent to the county commission and that body will send it on to the State Road Department in Fort Lauderdale.

Tentative plans of the State Road Department call for the new route to run north off the Bacom Point Road across the corner of the city park behind the Rice residence on Bacom Point Road, north on the street back of the Pahokee Baptist church and through town to the city limits at Canal Point. This route, if chosen by the City and the State Road Department would clip off the fronts of many buildings as the road ran north from Nola's corner to the Pahokee city limits at Canal Point.

Several months ago officials of the State Road Department consulted with City officials on the proposed route and the one mentioned here is the first to be proposed. Where the final route will be located is a matter of conjecture. The first survey by the SRD will give residents an idea of what to expect if the road is built as proposed.

Area Could Produce 5 Time Much Sugar

CLEWISTON — Florida could produce five times as much sugar as the 150,000 tons ground from cane during the 1959-60 season, an official of the U. S. Sugar Corp. said as he prepared to embark on an inspection trip to Puerto Rico. Harry T. Vaughn, president of the U. S. Sugar Corp. in the heart of Florida's Everglades, said Florida's production cannot be increased appreciably unless Congress raises quotas for U. S. cane growers.

President Eisenhower's reduction of Cuba's sugar quota by 700,000 tons will be made up by increasing allotments to Haiti, Panama, Costa Rica, the Netherlands, Nationalist China and the Philippines.

Vaughn explained it would take time to increase sugar acreage in Florida and Louisiana. New land would have to be prepared even before a crop is planted. Potentially, however, all the Everglades could be used for sugar production, he said.

"The Cuban situation is disturbing, and points up the fact that a strong domestic sugar industry must be maintained," Vaughn asserted.

Mr. and Mrs. H. G. Rodgers are visiting Mr. and Mrs. J. T. Rodgers of Texarkana, Texas this week.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The commission Monday:

Adopted resolutions of condolence on the death of Herbert D. Beck of Belle Glade, a one-time member of the Legislature.

Was informed that Governor-nominee Farris Bryant will be Aug. 27 for a "work session" on county problems.

Referred to Engineer Steve Middleton bids for repair of 808 feet of storm sewer east of Oak St. on Lantana Ave., Lantana. Apparent low bid was the \$9,517 proposal of A. O. Greynolds.

Received for examination and possible changing of street names a plat of Sherwood Park subdivision in Delray Beach.

Authorized purchase of right-of-way to extend Tabbitt Rd., near Belle Glade, to State Rd. 80.

Called for bids for micro-

filming equipment for the office of Circuit Clerk Alex Arnette and for a tractor-mower for use at Palm Beach International Airport.

Sent to the State Road Department a city of Belle Glade resolution asking that State Road 15 be four-laned from Belle Glade for 2.2 miles north to the Glades office building.

Announced that Middleton and Commissioners Foster and Lake Lytal would go before the State Road Board at Tallahassee Tuesday to check status of plans for construction of State Road 9 in this area.

Gave the name, "Commodore Island" to the island in Lake Osborne on which the Lake Worth Boating and Fishing clubhouse is situated.

BUY RESIDENCE

Mr. and Mrs. Andrew H. Cummins have bought the residence formerly owned by Mrs. Margaret Carstens and Mrs. Fern Frank on Greenstar Ave. in Vetteville and on their return from their wedding trip will make their home there. Mrs. Carstens and Mrs. Frank have purchased a home in West Palm and will move there within two weeks. Mrs. Frank, a member of Pahoek School Faculty for the past four years, has accepted a position at Burchshire Elementary School in that city.

BIRTHDAY PARTY

Mr. and Mrs. A. R. Harrington were hosts at a dinner party honoring their daughter Janette on her 16th birthday anniversary at their home Thursday evening. A barbecue chicken dinner was served and dancing and games enjoyed by eight couples attending.

Legion Convention Plans Expanding

MIAMI BEACH — Expanded plans for the 1960 American Legion National Convention parade, long-staged in the entire country, to be held in Miami Beach in October have been announced by Lawrence E. Hoffman, president of the convention corporation.

Hoffman revealed that approximately 170 units including bands, drum and bugle corps, color guards, drill teams and rifle squads already are lined up for the colorful spectacle scheduled for Monday, October 17. "Approximately 300 separate units are expected to be included in the parade," Hoffman said, "and entries are being received daily."

Mrs. Pope Sears joined Mrs. W. P. Jernigan of Clewiston, Sunday. They are attending school of Missions in Lakeland several days this week.

Book On Cancer For General Public

"The Hopeful Side of Cancer," has just been published to provide the general public with basic facts and information about the disease which many uninformed people still believe to be fatal to all victims.

This booklet, according to Mrs. Jane T. Cook, President of the Palm Beach County Unit of the American Cancer Society, emphasizes the fact that large numbers of persons have been and are being cured, and even greater numbers could be cured, if effective treatment would always be received in time.

Some of the interesting chapters which everyone should read, Mrs. Cook pointed out, deal with: What is Cancer, How Can Cancer be Detected, What to do to Fight Cancer, Education Pays Off, Who Gets it, The Promise of Research and other information subjects.

The booklet, "The Hopeful Side

of Cancer," has been issued as a free, public education service. It may be obtained, without obligation from the Palm Beach County Unit of the American Cancer Society, 140 Lakeview Avenue, West Palm Beach, Florida. Phone TE 2-7446.

Gasparilla Ship Draws Big Crowds

TAMPT—Nearly 10,000 visitors, from 37 states and seven foreign countries, have signed the "ship's log" aboard the pirate ship Jose Gasparilla during the first two weeks of July, report officials at the Greater Tampa Chamber of Commerce. The ship is open to summer tourists for the first time this year as part of the Tri-City Fiesta celebration being staged by Hillsborough and Pinellas Counties.

A sampling of the first 1,500 names in the guest registration books show that 701 of the 1,500 visitors were from outside Florida. Leading the states in number registering was Georgia, followed by Alabama and Ohio. The fourth ranking state was the real surprise. It was California.

Foreign countries represented in the list of signatures were Germany, England, Mexico, Canada, Bolivia, the West Indies and Bahamas.

Here's what the new $3\frac{3}{4}\%$ interest rate on U.S. Savings Bonds means to you:

\$3 = \$4 *fourteen months faster than before*

The Bonds you own are better than ever, too

The new $3\frac{3}{4}\%$ rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra $\frac{1}{2}\%$ from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

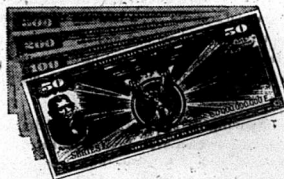

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

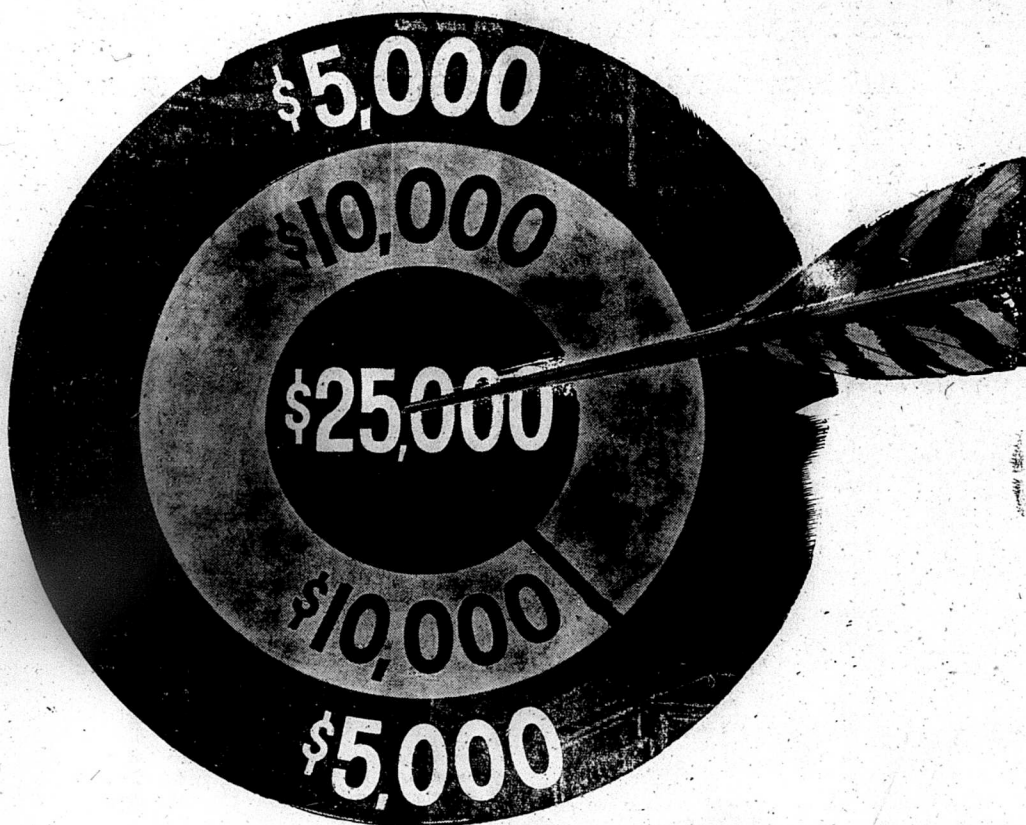

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

Pick your savings target and shoot straight for it!

A home... financial security... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series K Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2063 in cash; in 10 years, \$4468.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

Long Distance Dial Plan Is Exhibited

At the regular meeting of the Civitan Club, July 21, a demonstration of long distance dialing was presented by Zeke C. O'Farrell, Group Manager, for Southern Bell Telephone and Telegraph Company. Zeke and Don Fishler are pictured placing a call to the North American Air Defense Command in Colorado Springs, Colorado.

Prior to placing the call Mr. O'Farrell discussed the character-

istic attitude of Americans taking things for granted, even the most fantastic developments. Sixty years ago the airplane was just a dream. Today air travel is commonplace. Thirty-five years ago television was just the figment of someones imagination. He pointed out that in all probability no one within the sound of his voice was without a television set at home.

Zeke discussed a fantastic development which is coming more and more into use, namely long distance dialing. It was tried out for the first time in 1951 up in New Jersey and already it is being ac-

cepted as the normal thing all over the country.

Mr. O'Farrell dialed Honolulu with the ease of dialing someone across the street. He also dialed St. Louis, Mo. to secure a recorded announcement concerning state-little information.

Zeke then discussed the Bell System's interest in National Defense, dwelling briefly on his Company's part in the distant early warning radar network that extends across Alaska. Also the intricate communications network whose hub in Colorado Springs, Colorado.

Mr. and Mrs. L. T. Sapp, Jr., and family have returned to their home in Jacksonville after visiting their uncle and aunts Mr. and Mrs. Louis Davis and Mrs. Blake Dunson.

Mr. and Mrs. R. W. Sanders visited their sons-in-law and daughters, Lt. Col. and Mrs. P. A. Keyes and family and Mr. and Mrs. James Wilson and family in Miami this week. Lt. Col. Keyes is a patient at Pratt General-Veterans Hospital in Coral Gables.

Mr. and Mrs. L. L. Maxson and family have returned from Princeton, Fla., where they visited relatives.

Mr. and Mrs. Brooks Henderson have returned from a vacation in Kentucky where they visited his mother Mrs. Anna Henderson and her parents, Mr. and Mrs. W. H. Ruggles in Vanceburg, Ky. While away they also visited her brother and sister-in-law Mr. and Mrs. Joseph Ruggles in Waverly, Ohio.

Mr. and Mrs. Elmer Maxson and their nephew Bobby Parker have returned from a vacation at Asheville, N. C., and Gatlingburg, Tenn.

Miss Judy Cunningham, Miss Susan Johnson, Miss Jennie Lee Hall, George McElhenry and H. L. Oyle who have been attending Palm Beach Junior College, will complete the summer term this week.

Christian Science Group Of Canal Point

An answer to problems of strife, jealousy, and hate will be set forth Sunday at all Christian Science churches.

Highlighting the Lesson-Sermon on the subject of "Love" are several inspiring experiences of David which include Samuel's account of the sparing of Saul's life (I Sam. 26).

Citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include this statement on the protective power of divine Love: "At all times and under all circumstances, overcome evil with good. Know thyself, and God will supply the wisdom and the occasion for a victory over evil. Clad in the panoply of Love, human hatred cannot reach you. The cement of a higher humanity will unite all interests in the one divinity" (571:15).

The Golden Text is from Romans (13:10): "Love worketh no ill to his neighbour: therefore love is the fulfilling of the law."

THE U. S. TREASURY SALUTES YOUR BANK...

One of the 14,000 selling
"Shares in America"

More than 14,000 banks from coast to coast each day perform an outstanding service for their customers, their community, and the nation by selling Shares-In-America... U.S. Savings Bonds.

Every family benefits, every community profits because of banking's leadership in promoting this all-American thrift program. Today, 40 million Americans own more than \$42 billion worth of U.S. Savings Bonds.

Today Bonds are better than ever. Every Bond bought since June 1, 1959, now pays 3¾% at maturity. Even your older Bonds will earn an extra ¼% from June 1 to maturity.

Chances are your banker encouraged you to buy your first Savings Bonds. The next time you visit your bank take time to thank him for his good advice, and buy an extra Bond while you are there.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{2}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

plan, taxpayers would have had to pay an additional 17 of a mill during the next school year.

Board Chairman Ralph Kettler moved that the plan be dopted and his motion was seconded by Henry O. Earwood. Members Robert R. Horner, Thurmond Knight and Harold Turner voted against the proposal, stating that they felt the matter should be deferred until next year.

Knight pointed out that John Remsen and Milton Carpenter, who will become board members in January, were both in favor of including group insurance in next year's budget.

School Superintendent Howell L. Watkins said he thought it should be deferred and pointed out that expenses this year were already causing a 33 increase in millage.

(Editor's Note: Chairman Paul Rardin of the County Commission reminds taxpayers that the County Commission recently adopted a budget showing a tax decrease of .13 of a mill. So, Mr. Taxpayer, if your tax bill is a little higher this fall, don't blame the County Commission.)

Scouts Thank Prince Theatre For Movie

Boy Scouts of Troop 628 were the guests of the Prince Theatre on Friday night. It was a most enjoyable movie and we Scouts wish to express our appreciation to the theatre and its management.

The project of our troop for this summer was to sand and paint our Scout bus "Lizzie No. 2" and this object is well under way. There has been a work detail each day this week and will be until the job is completed.

On Saturday July 30th the troop is planning a camping trip to Jupiter. They will leave Scoutmaster Mims home at 12:30 P. M. and return on Sunday afternoon. The plans will be completed at the regular meeting on Friday night.

Joint Circle Meet Held By Baptists

The July meeting of the Hannah Scoggin-Annie Jones Circle of the Canal Point Baptist WMS met at the home of Mrs. James Gibson, July 21 at 8 p. m.

Mrs. R. T. Smith presented the program, "Christian means of Acquiring money." She created an interest center of various objects which have been used for money or barter: colored beads, sea shells, and paper money. Inside the money circle she placed labels, price tags from various articles and a blank check. It was interesting to know the various means of exchange for money.

Mrs. R. J. Maxson presided over the business session in the absence of Mrs. Charles Maxson, Circle Chairman. Mrs. J. S. Atkins presented copies of the book WOMAN'S Missionary Union by Alma Hunt to each member present.

It was announced that the August meeting will be at the home of Mrs. H. G. Rodgers at Bryant.

ON VACATION

Mr. and Mrs. A. T. Holt are leaving July 29 for a camping vacation in the Smoky mountains. They also plan to visit Mr. and Mrs. Julian Branch in Hendersonville, N. C. Mr. and Mrs. Branch and sons, Franklin and Don are spending the summer at Hendersonville, where he is connected with the vegetable deal in that area. Franklin and Don left July 18 for a stay of 5 weeks at Ridgecrest camp in Ridgecrest, N. C.

Miss Naomi Elder, of Avon Park, who has been visiting her parents Mr. and Mrs. Ray Langford, has gone to West Palm Beach to visit her brother-in-law and sister Mrs. and Mrs. Douglas Fields. Mr. and Mrs. Langford took her to that city and visited with the Fields.

Picture of a Promise

Sure, she's a grand old flag!
That's why we salute her.
That's why we pledge allegiance to her.

That pledge, in its simplest terms, is another way of saying, "Count me in. You're my country and I love you and need you. Your problems are my problems, and I'm with you all the way."

Your country's biggest single problem is the perpetual responsibility for keeping the peace its people want. You can help with this problem by remembering this:

Peace costs money. Money for military and industrial strength. Money for science and education. And money saved by individuals — by you — to help keep the economy strong. Bonds provide this money.

Tranports Moving Milk To Miami Area

Have you been seeing those big stainless steel transport trucks zipping along US41 through Canal Point and Pahokee? Eleven of them, making the run regularly, are carrying milk from Okeechobee county to Miami distribution centers.

Each truck carries 6,000 gallons of raw milk and on Tuesday of this week it was bringing 61c per gallon delivered in Miami. A little rapid calculation shows that this one run through this area is cause for return of \$40,260.00 daily to Okeechobee producers. Other outlets are used also of milk from Okeechobee county's 22 producing dairies which is delivered to other parts of the state.

NEW PHONE ADDITION
